**Krista Steiger** **Karen De La Carriere** I just looked him up in the Supporters group and we have 17 friends in common! Most of whom are either real life friends of yours or at least they are fairly prominent critics!

**Christopher Crimy** [Tamara King](#) There are layers to that part of the ex community I've found. People convinced of conspiracies, those who have become privy to believe the theories and jump on and worst of all people like Corey. He doesn't care about them. He doesn't care about victims of Scientology. He lives and thrives on pulling the strings and stirring emotions in all sides to create chaos.

**Christopher Crimy** [Tamara King](#) He's admitted as such as of late. He claims that he was in Scientology was something created by someone else. I don't remember where he attributed is claim to mis representation to. We've seen it before we'll see it again.

**Karen De La Carriere** 🌟 Okay for a day or 2 we will reveal the actions of this clown Corey Andrews. Then we are not going to talk about this piece of negative energy.

In real life Corey is unemployed except for once a year when he is a janitor at a summer camp.

Lately he has been huffing and puffing of how its time to STOP me

\*Of course\* OSA is stirring the pot here behind the scenes., YAWN YAWN YAWN
